

# Your Partner in Custom Procedural Solutions

Sembu Medical is the local manufacturing and assembly facility of SSEM Mthembu Medical. Our focus is the production of Customised Procedural Solutions (CPS) and Sterile Consumables to best serve our direct market.

Our SEMBU Medical facility boasts three high quality Class 100,000 clean rooms and a dedicated in-house ETO sterilisation plant.

The manufacturing facility and clean rooms are controlled by strict guidelines to ensure all products meet the highest standards and requirements of the Healthcare Industry.

Our dedicated 25 member team pride themselves on delivering top quality, locally assembled solutions that are designed to optimise patient care and user benefits.
